Alma Mater

Oh, our hearts with joy are filling
As our high school colors wave,
And our spirits strive with rapture
As we see our boys so brave.
Fight for victory! Fight for honor!
Show your spirits as so true,
And we sill win this battle
For our dear old red and blue!

To us, people are worth
a lot more than money.

STUDENTS COME FIRST AT CISCO JUNIOR COLLEGE

THAT'S WHY WE'RE HERE, to serve you, the student, with your educational needs in making the transition from high school to college. At CJC you'll find instructors, counselors, and administrators who are interested in YOU. You'll not be just a matriculation number or hold down a seat number in a lecture room, but a PERSON who is our valued customer.

THERE ARE OTHER VERY GOOD REASONS FOR CONSIDERING CJC. Such as our exceptionally low costs—about \$160 per semester for tuition and fees with reasonable-priced room and board also available—and financial aid is waiting for any student qualifying on the basis of need. And at CJC you can get the first two years' work towards any college degree or enroll in your choice of several different one or two-year occupational programs. Interested? If so, for more information, write or contact:
